Remarks

This home has had many updates throughout. New flooring, new kitchen appliances, new electrical fixtures, cribbing around the barn and the beautiful chimney has been repaired, capped, sealed and lined. A newer Harmon pellet stove sits upon a newly expanded hearth in the living room. Freshly painted, this home is bright and welcoming. Four bedrooms and two bathrooms allow for ample room. The barn has plenty of space for extra storage. Hook up for a generator is already to go. This property is located across from the golf course and there is easy access to nearby snowmobile trails.
